

How you can purchase:

There are 2 ways you can purchase from us:

1. Purchase securely [online](#) with a credit or debit card, by choosing which products you are interested in, filling in your details, and submitting your order. We accept all major credit and debit cards. If you have any problems using our site, please [contact us](#) for further help. After the order is completed, you will receive an invoice, which will be marked as paid. This will have the relevant license keys to enable you to download and use the software.
2. Email us to request a [quote](#), specifying which product(s) you are interested in, then return the quote to us, with a purchase order number (if applicable) and an authorised signature. You will then be sent an invoice, payable within 14 days, which will include the relevant license keys to download the software ready for use. Alternatively, you could [create your own quote](#) online, by selecting your products and saving the quote.

Payment Terms - Our payment terms are net fourteen (14) days from the issue date of the invoice. The issue date is located on the right hand side of your invoice.

Currencies - We accept the following currencies for payment: GB Pound (£); Euro (€) & US Dollar (\$)

How you can make a payment:

1. Credit Card

We accept the following cards: Visa, Master Card, and American Express.

To make a payment by CC please use the online link provided on the bottom of your invoice.

2. Bank Transfer

Sender to pay all bank charges. Please quote invoice number on all correspondence.
